Dear Friends:

I am writing to recommend the ministry of Subash and Sandra Muthayala.

I have known the Muthyalas for almost 20 years, as pastor of a supporting church and director of a ministry they served with.

There have been many changes in their lives which are described in the enclosed biography from Bibles International which is where they currently serve. However, there are three things that have never changed in the hearts of Subash and Sandra, (1) their compassion for people, (2) their concern for the Gospel, and (3) their conviction that God has called them to serve Him.

I am excited about their current ministry and, as you pray for them, I would encourage you to consider them worthy of your support.

Blessings,
