## *Stringing Our First Pearls*

We are excited to share our first newsletter with you and to reflect on what God has been doing in 2026.

The year began with meaningful opportunities to connect and serve through travel. We had the privilege of visiting Iowa twice—once to participate in a Refresh Conference (at Faith Baptist Bible College) and again to engage with the Iowa Regular Baptist Churches at Camp Ventura, and to visit a local church, Yarmouth Baptist Church (which joined our team in prayer and financial support).

Each of these moments allowed us to build relationships, encourage believers, and share more about the work of Bible translation.

## A Taste of 2026

Traveling to Iowa, Hosting Pastors' Luncheons at BI's office and Speaking at a Missionary Conference in Newaygo, Michigan

## PRAYER REQUESTS

- Pray for safe travel to the BMM home office in Cleveland, OH
- Pray for meaningful time at the GARBC Annual Conference at Cedarville University
- Pray for good meetings and for new ministry partners

## Immersion Week

Immersion Week at Bibles International is a “taste and see” opportunity for those who are curious about where they might fit with BI worldwide ministry. In May, nine participants—mostly students and recent graduates, along with one professional exploring a new direction —spent a week at our home office getting to know staff serving in roles such as linguistics, project coordination, IT support, and administration. As they listened to how each role helps move God’s Word into new languages, asked questions, and spent time in prayer, they had space to consider how their own gifts and training might be used in Bible translation.

## A SPECIAL TIME TO SHARE OUR HEART FOR BIBLE TRANSLATION WITH NEW FRIENDS

We were especially grateful for the opportunity to host the Independent Fundamental Churches of America (IFCA) leadership meeting luncheon for the very first time. It was a joyful occasion to welcome these leaders and their wives, share about BI’s Bible translation ministry, and explain how churches and individuals can get involved through prayer, partnership, and support. We were encouraged by their interest and thankful to introduce BI and the heart of our work to them.
